WHY CHALLENGE 2018?

BOLD MOVES [it starts here]

The Good News is the movement of all movements—the one Jesus started—which spans across all time, cultures and generations. His movement is in no way losing steam. But to bring about any eternal good and lasting change, this generation needs to reset their eyes on the founder of the movement and be captured by the founder of the movement and His vision for their part in it today.

At Challenge 2018, students are called to see Jesus, to walk in the steps of His **Bold Moves**, and to kneel to the authority of Jesus in a world where self has become the ultimate authority. Students are equipped to courageously stand for Truth in a world that encourages them to be their own truth. Students are challenged to compassionately walk alongside others inviting them to surrender to Jesus. Finally, students will be asked to lay down their lives to live for that which they cannot lose.

WHAT ARE OUR OPTIONS FOR FUNDRAISING?

Student Ministries wants to come alongside your family as you send your student to Challenge 2018 this summer.

- **Kitchen Fundraising:** Working for events in the Main Campus kitchen can add up. Every little bit counts!
- **Coffee House Fundraising:** Work 4 shifts [3–6:45pm] in the Coffee House and earn $100 for your account. On the job training provided. Must be able to start by 4pm. Contact Tracy Maas for available shifts.
- **Talent Night:** Sunday, May 6. A freewill offering is taken that goes toward a stateside trip. Must either perform, set up/clean up, or help during the show to receive funds. More information coming in April. *[students do not have to be going on a trip to perform]*
- **Support Letters:** Writing and sending support letters to your family and friends is a great way to share with them your plans for the summer and also ask for financial/prayer support. If you decide to go this route, contact Tracy Maas after you've registered and we'll send out an official support-raising packet to help you with this process.
- We encourage parents and students to sit down and come up with a plan of how your family will fund this trip. Parents have joined together to sell coffee, students have mowed lawns, babysat or have paid for the whole trip by working food service at church. There are many ways to raise support for a trip like this. Be creative!
