Pastor Matthew St. John || January 31, 2016

### DISCUSSION questions

1. What would communicate to your family, co-workers or employees that shows you highly value them?
2. Describe a time when you have seen someone move past relational and political barriers to invest relationally and economically for greater good.
3. Read Luke 7:4-7. Is your mindset about what you “deserve” more like the elders of the Jews or like the Centurian? How does the gospel reshape how you live like?
4. Whose authority are you under and how are you responding to that authority?
5. Do you trust Jesus' Word is as good as done? Is there something specific Jesus has said or promised in Scripture that helps you actively trust him with a current situation or relationship?
