DISCUSSION questions

1. If you're reading along through *The Biggest Story*, what's been your favorite illustration so far? Why are you drawn to it?
2. What's one thing you've appreciated about the Advent emphasis guided by *The Biggest Story*? Whether in the book, reading guide, musical worship or preaching, have you gleaned fresh insight or had a familiar truth affirmed?
3. What role does Jesus' perfect life, between His birth and death, have in the story of the gospel? See Hebrews 7:23-28 for further insight.
4. What does it mean that the sovereign Lord Jesus is right now interceding for you? What situations are you presently experiencing that this reality especially speaks to?
5. Who's someone in your life who needs to hear the whole story of Christmas (born to die, died to rise, rose to ascend, ascended to intercede)? Pray for these people by name and for one another; for God to appoint opportunities for gospel conversations and to give you boldness.
