

Compelled by Christ's Love

2 Corinthians 5:14-15 || Pastor Matthew St. John || January 7, 2018

Discussion Questions

1. We've all done something – not because we wanted to, but because had to. Share an example of each. How do these two types of “compelling” differ? Why is one delightful and the other a burden?
2. Read 2 Corinthians 5:14-15. Can you resonate with being caught in the love of Christ? If so, what was that like?
3. Take stock of the last seven days. How do you know if you lived for Christ? What would it look like to measure this? Conversely, what opportunities did you miss? How can you make practical changes for next week?
4. Pastor Matthew ended the message with a simple prayer: “Catch me, hold me, transform me, release me for Your purposes.” Take time to pray this together as a group.
